NOTICE OF PRIVACY PRACTICES

The Health Insurance Portability and Accountability Act of 1996 (HIPAA) is a federal program that requires all medical records and other individually identifiable health information used or disclosed by Foot and Ankle Clinic, P.A. to be kept confidential.

As required by HIPAA, we have summarized how we intend to maintain privacy of your personal health information (PHI).

We may use and disclose your medical records for the following purposes:

- Treatment may require that your information be disclosed to other health professionals who are involved in your care, such as specialists to whom you have been referred.
- Payment includes such activities as submitting claims to your insurance company for reimbursement, confirming eligibility or utilization review.
- Healthcare operations include the business aspects of running our practice, such as internal quality review, auditing functions or cost management analysis.

We may also contact you by phone, voicemail, or mail/email to provide you with appointment reminders or information regarding your treatment.

Any other use and disclosure of your health information will be made only with your written authorization unless already authorized by law.

You have the following rights with respect to your protected health information (PHI):

- The right to reasonable requests to receive confidential communication of your PHI
- The right to inspect and copy your PHI
- The right to receive an accounting of disclosures of your PHI
- The right to request an amendment of your PHI

This NOTICE OF PRIVACY PRACTICES is effective 4.1.2003 and will remain in effect unless changed by law. We are required to abide by its’ terms. If you feel your privacy protections have been violated, you have the right to file a formal, written complaint and forward it to the attention of the Privacy Officer at any of our clinic locations.

I HAVE READ AND UNDERSTAND THE NOTICE OF PRIVACY PRACTICES OF FOOT AND ANKLE CLINICS, P.A.
